Dear Students and Parents,

We hope this letter finds you well and enjoying the last weeks of the summer. We are busy preparing for the upcoming academic year and look forward to your arrival here on campus.

As Tiffin University continues to review and consider more proactive measures to better ensure the safety and security of all our faculty, staff, and students, the Office of Residence Life is pleased to announce its partnership with College Safes, Inc. As part of this partnership, an individual safe has been installed for each student living in a traditional residence hall for the upcoming year. The safes have been installed in all wardrobes within the residence halls rooms (not including Tiffin University owned houses) in order to provide peace of mind for residential students and their families.

For our residents' convenience, Tiffin University has arranged for the implementation of these safes after careful review of suggestions and requests from previous students and parents over the years. We are pleased to offer these safes as an option available to all students living in the residence halls to safeguard any valuables including, but not limited to, laptops, touch-pads, phones, medications, purses, credit cards, cash, etc. An additional \$49.00 per semester will be added to your housing bill each semester for the use of the safe. Though we encourage its use, if you do not wish to use/activate the safe, please utilize the opt-out form in your check-in packet when you pick up your key, and you will not be charged the additional fee.

Below, please find features and benefits of the college safes:

- Fully motorized battery-operated electronic operation with 2 locking bolts, LED display, and ADA-compliant keypad
- 4 digit code may be reprogrammed as often as you like
- Accommodates the largest laptop computer, ipods, cell phones, cameras, jewelry, keys, and documents
- Interior dimensions: 19" wide x 13" deep x 8" high with inner shelf

For questions about the safe program here on campus, please contact me at foxni@tiffin.edu or 419-448-3392.

Sincerely,

Noah Fox
